

Autism in Georgia, Inc.

501(c)3 Non-Profit - EIN # 26-3126387

6340 Cedarcrest Road NW, Acworth, GA 30101

Free Community Event on Saturday
April 4, 2009 from 9:00 am to 12:00 pm
6340 Cedarcrest Road NW, Acworth, GA 30101.
RSVP at www.meetup.com/autism-in-georgia

Our guest speaker will be David Stokes with Security Installation Company and he will be speaking on security installation systems. As an added bonus (GACHIP) GA Child Identification Program will be at TASH and the Masons will provide the equipment, volunteers and materials necessary to generate identifying items of your child in "completed packs" (not kits to be filled out by you at home) for you to take home for safe keeping.

In the event your child is missing, you then provide the GACHIP PACK to law enforcement as an aid in recovery and identification. GACHIP is a part of MASONICHIP which is recognized by the NCMEC as one of the most comprehensive child ID services available and all the identifying items in the pack will be provided at NO COST. Kit includes; 4 photo's, short video, bite wings, DNA, fingerprints, and in the unfortunate event access to "Amber Alert".

No information or data is retained by anyone involved with GACHIP. Only the permission slip is retained to document the number of children served. No copies of any ID materials are kept on file by any of the organizers; the parents receive all ID materials and health information produced. You must RSVP so we can have the correct amount material and staff on hand to ensure everyone can participate.
