Autism and Social Skills

Come join us at our May 30th Meet-Up at The Autism Sunshine House. Our guest speaker will be Heather Hackett Hayes, she is a Board Certified Behavioral Analysis (BCBA) and she will be fielding questions about Social Skills. Heather teamed up with TASH in February and provides Social Skills on Tuesday in the afternoon. If you have ever wondered, what benefit this might have for your child? Now is the time to find out, write your questions down and e-mail them to us, then come to the next meeting and learn what to do.

Help us Make a Difference

Make a Donation

Donate now and your gift will help support autism education, awareness, advocacy, and most importantly, enable us to assist families living with autism. There are many national and local organizations focused on autism research, but few help with teaching and reaching children already affected by this disorder. Parents are unprepared to deal with the daily challenges of having a child with autism and your donation will help Autism In Georgia, Inc. achieve its mission. Your donations are tax deductible.
