IEP (Individual Education Plan)

Come join us at our December 13th Meet-Up Meeting and listen to an Educational Advocate speak on IEP's (Individual Education Plans). Take this opportunity to voice your concerns to a professional in the field. This could be your child's opportunity of a lifetime. Be sure to check your day planner before heading over so that you can schedule an appointment for a one on one therapy session.

News & Events

Now Selling

1. Discovery Toys
2. Environmentally friendly products

Home Depot "Team Project"

Is waiting on Autism In Georgia's 501c3 Tax Exemption Status ruling before installing a fence to secure the playground and building a decorative stone retaining wall around the play system to keep the recycled tire to land on in place. Estimated completion date for the project is January, 2008.

The Rainbow Play System

** shoes required for the playground, no flip flops

Thank You Volunteers!

Special thanks to the following volunteers:

Julie Gyselink for using her God given talent to paint murals on the walls of TASH

North Metro Tech for all the time and effort spent watching the special needs children so affected parents could attend the Meet-Up meeting.

Publix's for donating fruit, veggie's and drinks for the last meeting.

Reminders to Parents

Early intervention is your best choice:

1. backpack
2. change of cloths
3. diapers/pull-ups
4. wet wipes
5. label all items in permanent marker
