Autism and Health Care

Come join us at our March 14th Meet-Up Autism in Georgia monthly meeting we will be held at The Autism Sunshine House. We will be talking about Autism and Health Care! I would like to ask the Music teacher to come but I need to know how many children will be here and if you would be interested in having your child participate in a group music session. If we had 10 children and everyone could donate \$4.00 that would cover the cost to have her provide an hour of music services. Please let me know if you are interested.

Therapy Appointment Required

1 Hour, 45 Min. & 30 Min. appointments

Rates: \$45.00, \$40.00, \$35.00

Help us Make a Difference

Make a Donation

Donate now and your gift will help support autism education, awareness, advocacy, and most importantly, enable us to assist families living with autism. There are many national and local organizations focused on autism research, but few help with teaching and reaching children already affected by this disorder. Parents are unprepared to deal with the daily challenges of having a child with autism and your donation will help Autism In Georgia, Inc. achieve its mission. Your donations are tax deductible. Please click [here](#) to make a donation.
